I am a long time resident of el cajon and i am a member of the Chaldean Community and St Peters Catholic Church in Rancho San Diego. Thank you for your service and your consideration. Please do not break apart east county because we will lose our voice and our representation. By putting us with larger cities that do not share common interests with my community, we will lose a large part of out livelihood and sense of community. Please keep el cajon with east county and do not break my community.
