Currently in the proposed map for District 5 there is a portion of the Guejito Rancho that is not included in the proposed district, this area is sparsely populated and is part of the Valley Center Fire Protection District and it would be in the best interests of the District to keep that area in the same Supervisorial District for continuity.

As the Secretary of the VCFPD I highly support the recommendation of the Valley Center Planning Group as stated below.

VC Planning Group voted to endorse Map 13a v.1-6 which maintains a rural & urban North County Supervisor District. They also asked the Commission to add Guejito into District 5, so that all of the Valley Center Fire Protection District is one Supervisor district.

Thank you,  
Regina Roberts  
Secretary VCFPD
