All of Rancho Peñasquitos should be brought together and not split up! Also it doesn't belong with Mira Mesa. Mercy Road should have been the more logical boundary cut off. 10 years ago they did the split to gain more of the Rancho Peñasquitos population for political reasons. As an Asian I was offended by that reasoning. Please bring all of Rancho Peñasquitos back as it originally was and keep us with the North County districts as before!

Rancho Peñasquitos is in essence predominantly a residential community very different from Mira Mesa which is commercial and retail businesses meshed in with their residential communities.

There was never a feeling of community between the two areas!
