Hello my name is Shakir. Thank you for your hard work, we know it is difficult and we understand how important your decisions are. Please consider my opinion when drafting your maps. My family moved to El Cajon from Sacramento. We have joined the St Peters Church in Rancho San Diego and I live in neighboring city El Cajon. My family depends on our community for support and guidance. We like our lives here but I now fear you are breaking apart our Chaldean Community if you remove El Cajon from East County. Please do not allow this because we will lose our community and our voice.
