Dear Commissioners: Thank you for your tireless service. From the first maps that your proposed to the current maps it is clear that you have been listening to concerned citizens. I am a 33 year resident of Encinitas and care deeply about our community's role as steward of the coast and guardian of our Scripps Hospital staff and patients. I am writing in support of Map Draft 14. It best honors our Latinx, LGBTQ, veterans, AAPI, refugee and coastal communities of interest. Unlike Map 13A, Map 14 insures that our communities of interest have representation that is aligned with their values at the county district level.
