I would like to register my support to continue to refine IRC Draft Map 14. While none are perfect, all variations of the IRC draft map 13 disenfranchise voters in the central district in opposition to the IRC's mission and stated goals. Under draft map 13 the new BIPOC majority would be represented by the current District 2 representative and they would not have a chance to elect someone who reflects their interests for 3 years. Thank you for your consideration.
