Hello my name is Victor and I have lived in El Cajon since 1993. I am a long time volunteer for my church in Rancho San Diego and my Chaldean Community. My children grew up here and all Of my relatives live in east county. It is extremely important that El Cajon stays with east county. We do not belong with central San Diego. We do not share common interests with San Diego. We share common interests with other cities of east county. Our schools and our community have always belonged with east county. Please do not split up our community. Keep El Cajon in east county.
