Dear Commissioners,

Thank you again for your hard work and efforts these past few months listening to the communities. I'm writing to you again as a long-time resident of Escondido and North County San Diego, and as a member of the Asian and Vietnamese diaspora communities within this city and region, to support Draft Map #14 uniting Escondido with San Marcos, Vista and Oceanside along the 78 freeway.

I feel Draft Map #14 to most reflect the region's small but growing Asian and Vietnamese diaspora communities while also best reflect our diverse county with our coastal AAPI communities, South County Latino communities, San Diego Black and Muslim communities (as proposed by PANA), and San Diego LGBTQ+ communities.

I urge the Commission to move forward with Draft Map #14. Thank you for your time and consideration.
