As a resident of Eden Valley, I want to thank you for listening to our community. In my many years of providing comments to the county, never have I felt that the Board of Supervisors were actually listening. But by keeping our community of Elfin Forest, Harmony Grove and Eden Valley together I finally feel that we have a board that is listening to those they represent and not the special interests. Your actions have ensured that we will be able to continue to effectively advocate for ourselves for the foreseeable future. You have also very likely helped save a community.

We appreciate you putting us in the coastal district with our peer communities: Rancho Santa Fe, Olivenhain and the rest of that district. We have no linkage to east county whatsoever. We urge you to approve the Draft Final Map without altering our community any further.

Thanks again.

Sincerely,  
Bill Osborn
