Please don't separate Harmony Grove, Eden Valley and Elfin Forest. We are a longstanding rural northwest county community. We are not East County.

As a resident of Eden Valley, I want to thank you for listening directly to the people who live in this beautiful, rural community, and for not being manipulated by politicians or special interests with ulterior agendas. By keeping our community of Elfin Forest, Harmony Grove and Eden Valley together, you have ensured that we will be able to continue to effectively advocate for ourselves for the foreseeable future. You have helped save our community and our homes. We appreciate you putting us in the coastal district with our peer communities: Rancho Santa Fe, Olivenhain and the rest of that district. We have no linkage to east county whatsoever. We urge you to approve the Draft Final Map without altering our community any further. Thanks you very much. Wishing you the happiest of holidays, and may you all be blessed with health, safety and joy abundant.

Gratefully,
Brenda Wright
