To the COSD Redistricting Staff,

Please vote to approve the Final Working Draft Map of San Diego County. I am a 60-year resident of the community of Harmony Grove and I approve of the Final Draft Map you have created using input from the residents of San Diego County. In particular, I feel that placing Harmony Grove with its historically aligned neighbors of Elfin Forest and Eden Valley together into the Coastal District is a positive move. I was able to speak to this issue at the public meeting on 12-2-21. I appreciate that you listened to us and saw how important it was to keep us together and place us in the Coastal District with the other communities covered by the San Dieguito Planning Group. Given our historical ties and shared needs, this will allow us to continue working together into the future.

Thank you for listening to us and for all of your hard work developing this Final Working Draft Map.

Sincerely,

Jonathan D. Dummer
