Subject: [External] Thanks for keeping us together and out of east county

As a resident of Harmony Grove, I want to thank you for listening to our community. Never have I seen a process like this that listened directly to the people and not be manipulated by politicians or special interests with ulterior agendas. By keeping our community of Elfin Forest, Harmony Grove and Eden Valley together, you have ensured that we will be able to continue to effectively advocate for ourselves for the foreseeable future. You have helped save a community. And we appreciate you putting us in the coastal district with our peer communities: Rancho Santa Fe, Olivenhain and the rest of that district. We have no linkage to east county whatsoever. We urge you to approve the Draft Final Map without altering our community any further. Thanks again.
