Please don't separate Harmony Grove, Eden Valley and Elfin Forest. We are a longstanding rural northwest county community. We are not East County.

*As a resident of Elfin Forest, I want to thank you for listening to our community. I appreciate a process like this that listened directly to the people. By keeping our community of Elfin Forest, Harmony Grove and Eden Valley together, you have ensured that we will be able to continue to effectively advocate for ourselves for the foreseeable future. I very much appreciate your help in saving our community. I also appreciate you putting us in the coastal district with our neighboring communities: Rancho Santa Fe, Olivenhain and the rest of that district. I strongly urge you to approve the Draft Final Map without altering our community any further.*

*With much gratitude!!!!*
