I want to thank you personally for listening to our community. By keeping Elfin Forest, Harmony Grove and Eden Valley together, you have ensured that we will be able to continue to effectively advocate for ourselves for the foreseeable future.

You have helped save our community. I especially appreciate you putting us in the coastal district with our larger community: Rancho Santa Fe, Olivenhain and the rest of the coastal districts. We have no linkage to east county whatsoever - we live school and work with the coastal communities.

I urge you to approve the Draft Final Map without altering our community any further.

Thanks again, with sincerity,

Todd Frank
