"Why move Old Town to District 2?" I am on the board of the Old Town Chamber of Commerce and am questioning why this is being proposed. Old Town San Diego is closely aligned with Mission Hills and, in fact, does include portions of Mission Hills' residents. Old Town is and has always been an important part of our historical community and is the birthplace of the State of California, and Mission Hills (also in District 3) shares streets and business relationships, and history. Please keep Old Town San Diego in District 3. There is no logical reason that it should be changed.
