I have been living in East County for 41 years. I am a part of the Chaldean community that has 40,000 members, half of which is in El Cajon and the other half is in Rancho San Diego and the rest of East County. I ask you to please not separate my community. We all go to the same schools and churches and we all want to vote for the right person to represent our community. By separating us you will take away our voice.
