Hi I'm Anwar Rofael. I live in El Cajon for 25 years. I hear you want to move El Cajon to East San Diego. Please don't do that, it's a mistake. My family members live in Rancho San Diego and I want them to be a part of my community. Don't separate us please. Our community has been together for 50 years. We will lose everything we worked for if you divide us. Thank you
