Many thanks to the commissioners for making this process so transparent and for listening to our community of interest. Elfin Forest, Harmony Grove and Eden Valley are a united rural community. Your actions have made it possible for us to continue having one voice with our supervisors. We are part of unincorporated community, that is constantly working to preserve its identity and autonomy. We in Eden Valley are grateful that you have not placed us into East County, with whom we have no linkage. We encourage you to approve Map 13a v11 without altering our community any further. Thanks again. Barbara and Andrew Isherwood [REDACTED]
