Hello, I love in El Cajon and migrated from middle east, Iraq.
I hope that you consider keeping our East County Middle Eastern (Immigrant/Refugee) Community together and not divide us among Supervisor districts.
We live in East County cities such as (El Cajon, Rancho San Diego, Santee, Lakeside, and La Mesa). These areas are places that need to be kept together.

Our Middle Eastern Community shares the same culture, language, food, and interests.
Removing El Cajon from the above-mentioned communities in East County will separate our community.
Please take into your consideration the interest of our community. businesses, which we do not find in any other place in San Diego.

I am asking the IRC to keep our Middle Eastern Community together by keeping El Cajon, Rancho San Diego, Santee, Lakeside, and La Mesa in one Supervisor district.
