Hello my name is Donovan Mansour. I am 15 years old and I attend Granite hills high school. I am a member of the Chaldean community and I live in El Cajon. It is important to me to have El Cajon remains in the East County. I have cousins that live in Rancho San Diego, Santee, and Alpine. Please don't separate me from my cousins. I want to be part of East County. I want all of us to be represented together as we grow, please don't split us please don't split our voices. Thank you very much and hope you consider my message.
