12/9 meeting- item #7

As a resident of Eden Valley, thank you for listening to our community! It's easy to think that politicians and developers are in control and we have no voice... so this is very promising to see that we are being heard! By keeping our community of Elfin Forest, Harmony Grove and Eden Valley together, you have ensured that we will be able to continue to effectively advocate for ourselves. You have helped save a very special community. Finally, we appreciate you putting us in the coastal district with our peer communities: Rancho Santa Fe, Olivenhain and the rest of that district. We have no linkage to east county whatsoever. We urge you to approve the Draft Final Map without altering our community any further. Thank you so much!
