Honorable Commissioners,

My name is Kenny Patrus, I'm a Chaldean living in El Cajon since I migrated to the U.S. I love my city and all the different communities that are living here in my city. Please we are asking to keep the city of El Cajon united with other cities (Rancho San Diego, Lakeside, La Mesa, Santee, Spring Valley) together and not divide them.

As a Middle East community, we're sharing same traditions we have, same culture, and same language.

Please take it in consideration and keep El Cajon with the same district with the neighbor cities.

Thank you
