The redistricting map takes Spring Valley apart. We have had representation since the last time when 2 supervisorial Districts were rolled into one. Having different people represent parts of the community was very deleterious for the community as a whole. The supervisors are more concerned with the cities and our property taxes get rolled into their needs rather than ours. The previous supervisor was very sensitive to our community needs from roads to the blight that continues to crawl through the community from the developers. IT IS VERY IMPORTANT FOR THE IMPROVEMENT OF SPRING VALLEY AND TURNING AROUND A SLEEPY COMMUNITY THAT IS PRETTY MUCH LIVE AND LET LIVE. SPRING VALLEY CONTAINS LA PRESA, THE ORIGINAL DOWNTOWN DISTRICT, AND THE ORIGINAL RANCHO SAN DIEGO. WE NEED TO BE TOGETHER TO PULL FOR THE ENTIRE COMMUNITY. Please consider that your actions continue Spring Valley as the County ghetto which hurts all of us.
Thank you for your time.
