eComment :

Hello my name is Loay Yousif. I lived in El Cajon for 31 years. I'm a Chaldean. Please keep El Cajon in East County. Our community belongs to East County. We have no community interest with north park and hillcrest area. All of our community interest is in the East County. I have many cousins and family members that live in the other cities in the East County like Santee, Rancho, and Jamul. Please don't split us, please don't take our vote and representation. Thank you
