eComment :

Hello my name is Manuel Bazzi. I live in Rancho San Diego. I've been living in the east county since 1984. I'm a member of the Chaldean community. I have over 20 relatives and family members who live in El Cajon. Why are you dividing us? Please keep our community and voices together. We don't have anyone who lives in north park and Hillcrest area. We do not share a community of interest. Keep the Chaldeans together. Keep our culture together. Thank you
