Hello my name is Margrit and I am a proud Chaldean American woman! It breaks my heart to see that there are people out there who want to divide my Chaldean community in East County! It's like We haven't suffered enough in our own country! We were kicked out of our country and by you dividing us, you are doing the same thing all over! Please let us live in peace as one community in the county of San Diego and don't take that right!
