eComment :

My name is Nidhal Shonia and I have 3 children. I live in El Cajon, my oldest lives in Poway, one in Rancho San Diego, and the other one in La Mesa! I am one in hundreds if not thousands cases like this! We Chaldean are all over San Diego! Do not break us a part! We are one community and wish to stay as one community! Us Chaldean Americans have no community interests with North Park and Hillcrest.
