Hello my name is Samir. Ive been living in El Cajon for 40 years. I'm a member of the Chaldean community. I have 5 kids that are married. All my family lives in east county. Rancho, Jamul, and El Cajon. If you divide El Cajon than you are diving my family from me. I've seen El Cajon grow the last 40 years and our community has come a long way. I've ran away from my country of Iraq because of things like this. Divide people and silence them is wrong and it should never happen in this great country. The other county doesn't represent me and we don't have the same belief and culture. Please keep us together in east county. Thank you
