Hi commissioners my name is Suhair. Im a member of the chaldean community. Ive been living in el cajon for 10 years. El cajon is very important for me and my community. Please dont divide my community. I dont want anyone from a different community to come here and control us. We are different from the other community. Different religions, different culture, different language. We dont share the same community interest. Please keep el cajon part of east country became all my family and friends live in other cities in east county.
