I am strongly in favor of maintaining the current supervisorial district to include Encinitas. As a long time resident, my children attended middle and high schools in the San Dieguito UHSD. We are covered by the North Coastal Sheriff Station, while Carlsbad and Oceanside have their own police departments. We share the coastal bluffs and are governed by the Coastal Commission. Encinitas shares demographics with Solana Beach and Del Mar. I strongly urge you to maintain Encinitas in the current regional area as we are not rural, but suburban. We need representation that considers the coastal area as the primary focus for environmental reasons as climate factors affect inland vs. coastal areas differently.
