My name is Nazaret Novoa.  
I am a resident of Chula Vista,  
(OR) I work in Child Development.  
My community consists of working families in Latino South County deserve a strong, equal voice.

One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado.  
That was a political deal the old Supervisors pushed for themselves, not to really represent the people.  
And you need to fix it and make it fair.  
Look at what happened in Coronado when Latino kids came to play basketball there. They threw tortillas at us.  
Insulted us. Cursed us.  
If Coronado doesnt think we belong in their city, why does Coronado belong in our district?  
And tell me, what exactly do Chula Vista and Point Loma have in common?  
Please give us a fair district without wealthier, more privileged areas that drown out our voices.

More broadly, my community is really all of South County - from Barrio Logan to the border.
