Dear Commissioners,

As a resident of Ocean Beach and Point Loma for 27 years I urge you to consider the formation of a coastal district, to elect a Commissioner to represent the issues of concern to coastal residents: stormwater, sea level rise, beach and bluff erosion, short-term vacation rentals, and a reasonable balance between the benefits and burdens of tourism.

Such a district could stretch from the top of Encinitas to the foot of a united Point Loma (rather than being spilt between districts 1 and 4 as it is today) and could include:

Encinitas, University City, La Jolla, Torrey Pines, Sorrento Valley, Carmel Valley, Del Mar, Solana Beach, Rancho Santa Fe, Pacific Beach, Mission Beach, Ocean Beach, Loma Portal and Point Loma.

Thank you for your consideration.

Cheers, John Loughlin
