eComment :

My name is Tim O'Healy, I am a resident of Carlsbad and I am a Marine veteran. I have been an active member of our veteran community in the region. North County is home to Camp Pendleton and we have a significant number of residents that have served our country and have made this community their home. The North County Veteran Association brings together veterans in Oceanside, Carlsbad, Vista, San Marcos and Escondido. Our local colleges & universities have also made efforts to support military families and ensure programs are available to help connect to the local workforce. As the Commissioners consider lines for the county regions, I would urge the board to keep our military families together in a north county district. Thank you for your consideration.
