My name is Sarah Spinks, a lifelong resident of Vista. As we consider redistricting our county, I would encourage our commissioners to keep our north county community together. As small business owner, and local community artist, I believe it makes sense for cities along the 78 corridor, also along the NCTD Sprinter line, to share the same district and have a cohesive vision for traversing our district. This would also make sense economically, connecting stakeholders with workforce and institutions, local schools, Mira Costa, Palomar and Cal State San Marcos, etc, feeding skilled workforce into industries in this area of North County.

Thank you for your consideration,
Sarah Spinks
