My name is Michael and I am an Asian American resident of District 4. My community consists of working class immigrant families from all parts of the world. I hope this commission draws a South County Border District that upholds the Voting Rights Act and includes all of San Diego's border communities from San Ysidro all across the international border. A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border. A district along the border would help ensure the cross-border priorities that matter greatly to all of South County are truly heard by the Board of Supervisors - the Tijuana River sewage crisis, pollution and gridlock at the Ports of Entry, compassionate immigration policies that embrace San Diego's diversity and immigrant roots. A district along the border would help improve cross border economic and cultural connections at the heart of our cross-border region's prosperity and diversity. One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado. And tell me, what exactly do Chula Vista and Point Loma have in common? Please give us a fair district without wealthier, more privileged areas that drown out our voices.
