My name is Phuong Vuong. I am a resident of La Jolla. My community consists of Asian Americans and other Black, Indigenous, people of color. All over the country, we're seeing efforts to divide communities and suppress the vote. Let's take San Diego in a different direction to lift all our voices and make sure no one is left behind. For Asian Americans and other people of color, we need to ensure our voice in our local communities. I urge you to listen to community members about where our communities lie and to group us together to protect our political power.
