Hi,  
My name is Eva Brechtlein and I am a Resident of Chula Vista. I hope this commission draws a South County Border District that upholds the Voting Rights Act.  
Our neighbors share so much in common, we all go and went to the same schools and camp.

But until this past November, we never even had a Latino County Supervisor representing us.  
Look at what happened in Coronado when Latino kids came to play basketball there. They threw tortillas at us. Insulted us. Cursed us. This was particular for me to see and hear.  
If Coronado doesn't think we belong in their city, why does Coronado belong in our district?  
And tell me, what exactly do Chula Vista and Point Loma have in common?  
Please give us a fair district without wealthier, more privileged areas that drown out our voices.

One thing we've never had  
Working families in Latino South County deserve a strong, equal voice.

thank you  
Eva
