Hello, my name is Candice / Kandi. I am an Asian American, Filipina resident of Chula Vista, South County. I hope this commission draws a South County Border District that upholds the Voting Rights Act and includes all of San Diego's border communities from San Ysidro all across the international border. A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border. Our neighborhoods share so much in common where our kids go to the same schools and camps and sports leagues. We have extended family across the region - from San Ysidro to Eastlake to Chula Vista's old west side. One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado. If Coronado doesn't think we belong in their city, why does Coronado belong in our district? Please give us a fair district without wealthier, more privileged areas that drown out our voices.
