I hope this commission draws a South County Border District that upholds the Voting Rights Act and includes all of San Diego's border communities from San Ysidro all across the international border.  
A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border.  
One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado. Working families in Latino South County deserve a strong, equal voice.  
We are the majority and do not want minority rule. Thank you.
