I wish to comment on the redistricting that is going on. I live in Oceanside and am in District 5. When I look at the district map, I don't understand and wish that the commission would consider making Escondido part of District 5 so that all the cities (Carlsbad, Oceanside, Vista, San Marcos and Escondido) along the Highway 78 corridor would all be a part of District 5. I believe that since we are all directly impacted by whatever happens along this corridor impacts us all equally. Please consider my request.
