Hello my name is Sam Mohn and I am a Filipina-American living in North County. I would like to see to see Escondido a part of District 5. As a resident, I think that the people of Escondido have a common interests with the other cities in District 5. Growing up in Oceanside and going to Escondido a lot I noticed that Escondido has a diverse population that Works with the other district 5 cities. As a result of Escondido being added to district 5 I would like to see Encinitas in District 3, the coastal cities. I also see Encinitas' city values more aligned with other coastal cities. Encinitas has a "beachy" feel that I associate with coastal cities. Thank you so much for your time.
