I am a resident of Chula Vista and my community are Latinos. My family has been living here for at least two generations from Barrio Logan to the border. I am asking the Commission to please draw the district 1 to reflect my community of Latino and all of San Diego's border communities from San Ysidro all across the international border. It is important to have representation for my community. It has been a frustration to see Coronado and Point Loma, where don't share the same interest, values or culture with the rest of us in the district in the same district with us. Please give us a fair district without wealthier, more privileged areas that drown out our voices. Working families in Latino South County deserve a strong, equal voice.
