My name is Lucia, I live in Chula Vista, CA. I am siding with the idea of a district along the border. This will help ensure that cross-border priorities that matter to South County are truly heard by the Board of Supervisors - the Tijuana River sewage crisis, pollution, trash on streets and freeways, and long wait times at the Ports of Entry, and access to public transportation. I would like to see compassionate immigration policies that embrace San Diego's diversity and immigrant roots.
