Hello, my name is Stacey. I am a resident of South County. District 1 must be a majority-minority Latinx district from Barrio Logan to the border. As an Asian American, specifically from the Filipino working community, I have more in common with working Latinx families than the communities of Point Loma and Coronado, whose inclusion in District 1 does not make sense to keep working Latinx families and communities of interest together under the jurisdiction of the Voting Rights Act. In addition, I advocate for a coastal district from Encinitas down to Point Loma (which includes: Solana Beach, OB, PB, Del Mar and La Jolla). These beach communities have more in common with each other than the more inland communities that include working families of color and refugee communities. Please make District 1 a majority Latinx district and remove Coronado and Point Loma from South County districts, and create a coastal District 3 from Encinitas to Point Loma (including Solana Beach, OB, PB, Del Mar and La Jolla). Thank you.
