I am Latina who live in South Bay area. My community are Latinx from Barrio Logan to the border, where my family works, live all over this area for years. I want the Commission to draw a south county border district to give voice to so many of our south county residents. The area has a very distinctive culture and many facets of life that we do not share the same values or interest with Coronado and Point Loma. My Latinx community deserve the representation and a district that will represent the working families in Latino South County.
