Our district should be reflective of our interests as a majority Latino community and share our values as a strong and equal voice. My community is really all of South County - from Barrio Logan to the border. One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado. I hope this commission draws a South County Border District that upholds the Voting Rights Act and includes all of San Diego's border communities from San Ysidro all across the international border. A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border. A district along the border would help ensure the cross-border priorities that matter greatly to all of South County are truly heard by the Board of Supervisors - the Tijuana River sewage crisis, pollution and gridlock at the Ports of Entry, compassionate immigration policies that embrace San Diego's diversity and immigrant roots. A district along the border would help improve cross border economic and cultural connections at the heart of our cross-border region's prosperity and diversity.
