I live in Carlsbad, District 6, of the (TCHD) Tri-City Health Care District. I pay taxes to support Tri-City Hospital, even though I have never used this facility. I am a Scripps patient. I support keeping the District 5, Board of Supervisor Boundaries the way they are, because of this mandatory taxation. If Carlsbad is drawn into another Board of Supervisor District then I should no longer be required to pay taxes to TCHD. If anyone in Carlsbad had issues with Tri-City they would have to go to a Supervisor that did not represent them. You would have one supervisor for where you live and another for where you pay taxes to a facility that you do not use. Taxation without representation.
