I am adamantly against the redistricting plan to move Carlsbad from District 5 to District 3! Carlsbad is and always has been part of the Northern Economic Corridor of Cities. As such, it has developed an economic and cooperative relationships with Escondido, Vista, Oceanside and San Marcos for the benefit for all of those North County Citizens. Moving Carlsbad to the District 3 would be detrimental to all of Carlsbad citizens and businesses. Furthermore, Carlsbad would be greatly underserved by District 3 representative. Presently Escondido, Vista, Oceanside, San Marcos and Carlsbad all are commonly and negatively impacted by the pollution and noise from McClellan-Palomar Airport. That would not be the case with the cities in District 3. Consequently, the District 3 representative would be required to constantly be re-educated of the expanding McClellan-Palomar Airport's ever-increasing impact to the community. As such that representative would not have the firsthand knowledge of what Carlsbad citizens are experiencing. The bottom-line is without the firsthand knowledge he/she cannot properly represent the constituents of their district.
