My name is Jesus Martin Gallegos-Munoz and I am a resident of District 1. My community consists of San Ysidro, Otay Mesa, Chula Vista, Imperial Beach, and National City. More broadly, my community is really all of South County - from Barrio Logan to the border. A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border. A district along the border would help ensure the cross-border priorities that matter greatly to all of South County are truly heard by the Board of Supervisors - the Tijuana River sewage crisis, pollution and gridlock at the Ports of Entry, compassionate immigration policies that embrace San Diego's diversity and immigrant roots. But until this past November, we never even had a Latino County Supervisor representing us. One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado. Please give us a fair district without wealthier, more privileged areas that drown out our voices. Working families in Latino South County deserve a strong, equal voice.
