My name is Cindy Lopez and I am a resident of Chula Vista. My community consists of Latinx people and Spanish speakers. Regardless of where I live, my community is really all of South County - from Barrio Logan to the border. I hope this commission draws a South County Border District that upholds the Voting Rights Act and includes all of San Diego's border communities from San Ysidro all across the international border. A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border. Our kids, as well as my daughter, go to the same schools/ child care, recreational activities, and parks. One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado because the voices of those areas do not reflect our Latinx voices and needs. We deserve an equal, amplified, voice in the district.
